walking around all night. Given the client's admitted use of illicit substances, his failure to reside at the previously agreed upon homeless shelter, and his failure to secure a cell phone as he had previously committed, the client was placed on daily reporting and specifically directed to report again to the U.S. Probation Office the following day (January 9, 2019) before 12 p.m., to which he committed. Mr. George then failed to report as directed.

On January 9, 2019, the undersigned officer conducted an attempted field contact with the client at Truth Ministries in Spokane. Truth Ministries is a local homeless shelter in which the client had committed to residing. Staff at the facility confirmed the client was not a known current or former resident at the facility. Mr. George's current location and level of compliance with his conditions of supervised release as ordered by the Court is unknown to the undersigned officer.

It should be noted that on January 10, 2019, at 9:50 a.m., a voice mail was received from the client who indicated he had just woke up which is why he could not report "by the ninth." Client stated he would stop by "hopefully by this evening."

Specifically, on January 7, 2019, the client reported to the U.S. Probation Office in Spokane, as directed. The client was directed to submit a urinalysis sample for testing and readily admitted to ingesting methamphetamine and alcohol on or about January 5, 2019, following his release from the Spokane Residential Reentry Center. The client was then afforded approximately 2 ½ hours to provide a urinalysis sample for testing, but indicated he remained unable to do so. Mr. George was directed to again report the following day for urinalysis testing to which he agreed.

On January 8, 2019, the client again reported as directed. The client again required 2 ½ hours before finally providing a urinalysis sample for testing that was presumptive positive for methamphetamine, cocaine, marijuana, and amphetamine. The client indicated he had forgotten to report to this officer and he had also used marijuana, occurring on January 5, 2019. Mr. George indicated he had not knowingly ingested cocaine, but admitted it could have been mixed with the methamphetamine that he knowingly ingested.

4 **Special Condition # 17:** You shall not enter into or remain in any establishment where alcohol is the primary item of sale.

Supporting Evidence: Mr. George is alleged to have violated special condition number 17 by being present in several bars located in downtown Spokane, on or about January 5, 2019, based on the client's admission.

The client indicated he had not stayed anywhere and instead had walked around all night since his release from the RRC, visiting several bars in downtown Spokane. Mr. George was reminded of his condition prohibiting him from entering such establishments and he indicated he remembered and was aware of the prohibition.

The U.S. Probation Office respectfully recommends the Court issue a **WARRANT** requiring the offender to appear to answer to the allegation(s) contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
